

I was not brought up around wine, unless you count the Lambrusco with Sunday lunch at my grandparents (on a Tuesday night), my parents didn't drink it that I can remember, and I had zero interest in it when I started drinking.

It was a fateful bank holiday Monday that set me on this most amazing journey. After working back-to-back weddings over a bank holiday weekend, I was given a bottle of wine as a thank you... I drank it and was left wondering why people drank wine, it was awful! So that Christmas I asked my Grandma for a wine book so I could learn, and she obliged with Karen McNeils wine bible. Armed with this I set off learning by reading and buying different bottles to try with some mistakes along the way.

On this journey I have met some great individuals who have a great talent for wine, service and hospitality who share my passion and are essential to the wine list and care of our customers. I am proud to work with this team and could not drive our shared passion without them, thank you Ben & Nathan.

Our wine list here at the Riverside is varied whilst being concise, I want you to enjoy the atmosphere and surrounds of this stunning grade 2 listed building so have curated a smaller but crafted seasonal wine list designed to enjoy with our food offering.

So, from a Sheffield Sommelier who got into wine by accident I hope you enjoy the list, and if there is anything you want to know more about just ask.

Thanks,
Alistair – Certified Sommelier – Court of Master Sommeliers

Champagne
